# Man Care

**The line that accompanies every man on his daily care journey.**

Every man has a unique rhythm, made up of commitments, passions and moments of relaxation. Philip Martin's Man Care line was created to accompany this rhythm, transforming men's care into a personalised wellness path, capable of responding to every man's needs.

It's not just a product line, it's an invitation to rediscover the pleasure of taking care of oneself, relying on the expertise of professionals. In the salon, each treatment becomes a tailor-made ritual, designed to meet the needs of skin, beard and hair, with formulas that guarantee visible results and a focus on quality that only expert hands can offer.

With Philip Martin's the salon becomes a place of regeneration, where men's care takes on a deeper meaning and where every gesture is adapted to the man's time. Every appointment is transformed into a unique sensory experience, capable of giving each client a moment of authentic well-being.

The Man Care line is designed to meet men's care needs through three different treatment areas, offering a complete and customised wellness experience:

1

## SPA

Formulas designed to moisturise and regenerate facial skin, respecting its unique characteristics, for a toned and well-groomed appearance. Products suitable for all skin types, even the most delicate.

2

## FACE AND BODY

Treatments designed to cleanse, moisturise and protect the skin of the face and body, respecting the specific needs of men's skin. Effective and practical formulas that give a pleasant sensation of freshness and daily well-being.

3

## BEARD

Beard care products that soften, discipline and moisturise, making every shave a wellness ritual and giving a feeling of freshness and comfort.

4

## HAIR

Specific scalp and hair care treatments that offer solutions for every need, from daily cleansing to the treatment of anomalies, guaranteeing strength, vitality and deep hydration.
